## Canton JV Wed Playoffs - Patterson Park

June 10th

Please try to have your teams at the fields by 6:15. Forefeit time will still be 6:30 though since we understand some teams may have issues. All games will start in the top of the 3rd starting with the score from last week. Teams can create a new lineup. Because we don't have lights we will keep the games moving fast. Semi Final games maybe be shortened if needed.
